

Sankyo

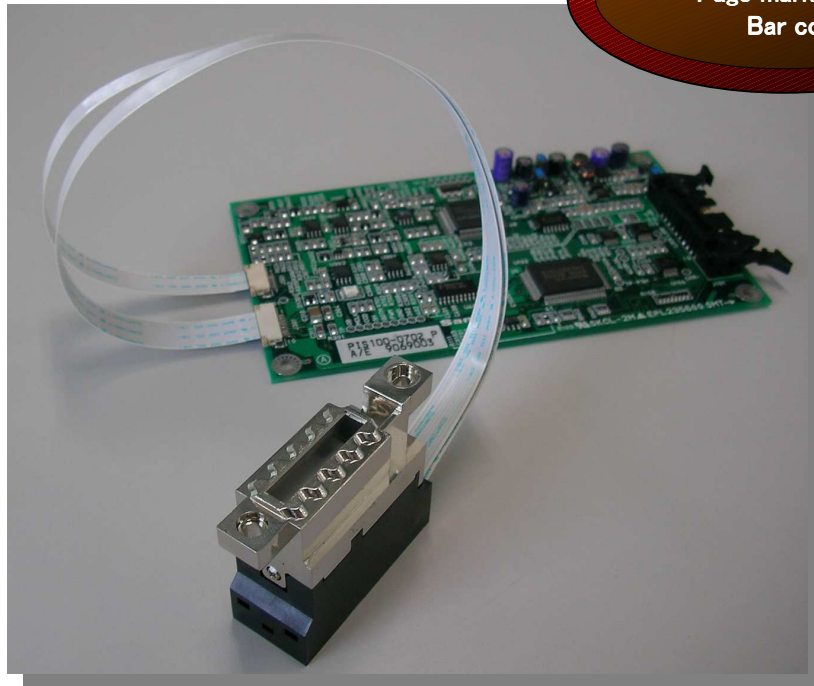

All for dreams

Image scanner

PIS100 series

(Compact size)

High speed reading
Page mark, Check
Bar code

■ Applications

- 1) Scanning for
Page mark of pass book
- 2) Scanning for Check
- 3) Scanning for Bar code

■ Features

- 1) High speed scanning
by CCD line sensor
- 2) Shading correction function
- 3) Deep focus depth wit compact

■ Specification

sensor	1.024bit CCD line sensor
bit numver	336bit
field area	18.2mm
resolution	18.5bit/mm(470dpi)
field depth	0 to 3.0mm
scan interval	0.74 to 1.48ms
light source	LED
